TRANSITION METAL CHEMISTRY

An International Journal

Editor-In-Chief

Dr D. R. M. Walton
School of Chemistry and Molecular Sciences
University of Sussex
Brighton BN1 9QJ, UK
Telephone (0273) 678326
Facsimile (0273) 677196

Associate Editor:
M. C. Durrant (Brighton)

Editorial Board

P. Chiusoli (Parma)
R. J. H. Clark (London)
J. R. Dilworth (Colchester)
R. D. Gillard (Cardiff)
M. Green (York)
W. P. Griffith (London)
R. Henderson (Sussex)
M. B. Hursthouse (London)
Y. Jeannin (Paris)
B. F. G. Johnson (Cambridge)
J. A. McCleverty (Bristol)
L. Markó (Veszprém)
D. M. P. Mingos (Oxford)
U. Schubert (Würzburg)
M. V. Twigg (Billingham)

Note to subscribers

Publication details: One volume per year in six parts. Volume 16 published during 1991 will contain 672 pages total. Subscription period: calendar year only.

Subscription rates for 1991: European Community: £295.00 – USA Canada: US$530.00 – Elsewhere: £325.00. The subscription rate includes: airmail despatch within Europe; airfreight to New Jersey and 2nd class postage thereafter to USA, Canada and Mexico; and accelerated surface post for most of the rest of the world. Second class postage paid at Rahway, NJ, Postmaster: send address corrections to *Transition Metal Chemistry c/o Mercury Airfreight International Ltd. Inc., 2323 Randolph Avenue, Avenel NJ 07001 (US mailing agents).*

To subscribe, please write to: Subscriptions Department International Thomson Publishing Services Ltd., North Way, Andover, Hampshire SP10 5BE, UK. (Telephone 0264–332424, Facsimile 0264–64418). Payments may be made by cheque, UK postal order or International money order bank draft, all made payable to Routledge. Chapman and Hall Ltd.
